

EXCITING NEWS!!!! We are delighted to be a recipient of Tesco's #BagsofHelp initiative. We have been chosen to receive a grant to create a beautiful guided walkway, through [Manor Farm Country Park](#) leading to the wreck of Henry V's flagship [Grace Dieu](#) at the bottom of the River Hamble. Not only will this encourage people to get out and explore nature but it will celebrate the region's rich, and often overlooked, place in history.

How much funding we get depends on public vote so PLEASE please visit your local store and help make a difference in your community. Tesco has teamed up with Groundwork to launch its Bags of Help initiative in hundreds of regions across England and Wales. The scheme will see three community groups and projects in each region awarded grants of £12,000, £10,000 and £8,000 – all raised from the 5p bag charge.

Bags of Help offers community groups and projects in each of Tesco's 390 regions across the UK a share of revenue generated from the five pence charge levied on single-use carrier bags.

*With your VOTE we can transform this woodland path into an accessible trail that will bring the region's medieval history to life*

The public will now vote in store from 27 February until 6 March on who should receive the £12,000, £10,000 and £8,000 awards.

We will be using one of these awards to fund this stunning woodland trail which will use the latest digital technology to bring to life the story of Henry V and his epic ship Grace Dieu. The trail will feature a soundscape, evoking the medieval past with music, historical facts, tales of how Henry's flagship was built, how it was the foundation for The Royal Navy – and how it never actually sailed for war. We will work with local school children to create new stories based on the legendary medieval Southampton character Sir Bevis – a source of childhood inspiration to Henry V. Depending on how many votes we get some of these will even be narrated by the children and then imbedded in the trail technology bringing history alive for visitors as they amble down to The Hamble – so please vote for us in your local Tesco store.

Blaze a trail and make history! We need your vote – Tesco
